.

Dear Sir/Madam,

Dr. Ambedkar Institute of Technology for Divyangjan (AITD) established by Government of Uttar Pradesh, in 1997, under World Bank assisted project and located at Kanpur, UP.

AITD imparts technical education to students through Under Graduate courses (B. Tech.) and Diploma level courses. The Diploma level courses are exclusively for physically challenged students, while the Under Graduate courses are open to all.

The institute is offering Under Graduate courses [**Computer Science Engineering, Computer Science Engineering (Artificial Intelligence and Machine Learning), Information Technology, Chemical Engineering, Electronics Engineering and Biotechnology**] affiliated to the Dr. A.P.J. Abdul Kalam Technical University (AKTU), Lucknow, Uttar Pradesh.

As part of AKTU curriculum student of semester have to undergo field exposure training. It will give them a valuable exposure towards work culture and technical aspects. It is requested to kindly accommodate the below mentioned student of semester of our institute in your esteemed organization.

| Roll No. | Name | Branch |
